PRACTICE 4 FINAL EXAM

1. Read this text and answer the questions.

This is Peter Pan and these are his best friends. They live in a big forest with lots of animals and trees. They don't like studying but they love running and jumping.

Every day Peter gets up late in the morning, he brushes his teeth and he gets dressed. Then, he and his friends go out and play.

During the summer they sometimes go to the river to swim, but in winter they always stay at home reading stories and listening to music.

Next week they are going to visit a girl. Her name is Wendy and she is Peter's friend. They are going to go to her house in London
