Teacher instructions: imagine that you a some Friends have won a vacation to Seattle, WA , but before you go, you need to decide what activities you wanna do there when you'll arrive, of course before that you visited a country it's important to do a little research about the country, to learn about some sites that you can see and you could visit when you arrive and one thing that we could do this is using a travel section news

Step 1. Read the news when you'll check this link: https://travel.usnews.com/Seattle_WA/Things_To_Do/

Instruction skim the link, of course read for understanding, emphasizing that you don't need to understand everything yet but considerable part yes, I encourage you to not be focus on every single word, just give get a general idea of the link's information

step 2 After you get an idea about it, write your answer

Step 3 -Find the pairs

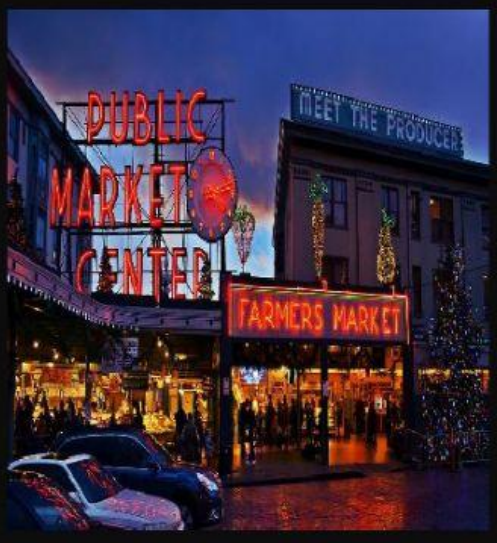

Below you will find some sentences that are used to give more extensive indications, you will have to find the relevant meaning of these sentences and thus match them.
example: if two boxes match, you must write in both, join followed by the number of the box in which the second row is located for example the first one matches with the 6 definition, therefore I will write in both join6

To hang a left or right	To turn at the next street on the left or right
To pull over	To go in the directions of a certain location
To pull out	To leave a parking spot to enter a road
To head towards	To get off of the road you are on and stop your car on the side so you are not in the way on the moving cars behind you
Tu pull into	An object or a building that is very noticeable while driving
Landmark	Turn, so now you are driving or walking on the same street but in the oppositive direction
To make a U turn	To turn off the road you are currently on and go into the parking lot of a business or establishment
To take the firs left or right	To make a turn off of a road onto another

Giving direction

you are gonna create a conversation using all sentences of the previous point, you must pretend that you are visiting right now that city, so you ask a native speaker a direction of places that you wanna know, you gotta include all the places described in the link, so let's start.
