## EXERCISE 1.

Join one noun on the left with one given on the right to make COMPOUND NOUNS. Use each word once only. Write letters A, B, C, etc., in the table provided below.

**REMEMBER:** in compound nouns the first noun is usually singular, even when its meaning is plural. However, pay attention that in some expressions the plural -s is kept in the first noun!

| 1.  | computer    |  |
|-----|-------------|--|
| 2.  | government  |  |
| 3.  | information |  |
| 4.  | sports      |  |
| 5.  | research    |  |
| 6.  | trade       |  |
| 7.  | sales       |  |
| 8.  | savings     |  |
| 9.  | customs     |  |
| 10. | needs       |  |
| 11. | labor       |  |
| 12. | overseas    |  |
| 13. | TV          |  |
| 14. | shipping    |  |

| Α | commercials |
|---|-------------|
| В | fair        |
| C | officer     |
| D | manager     |
| Е | force       |
| F | account     |
| G | policy      |
| Н | car         |
| I | documents   |
| J | trade       |
| K | analysis    |
| L | technology  |
| M | project     |
| N | virus       |

| 1. | 2. | 3. | 4. | 5. | 6. | 7. | 8. | 9. | 10. | 11. | 12. | 13. | 14. |
|----|----|----|----|----|----|----|----|----|-----|-----|-----|-----|-----|
|    |    |    |    |    |    |    |    |    |     |     |     | 100 |     |

|    | RCISE 2.  Delete the following sentences with the compound nouns from EXERCISE 1.                |
|----|--|
|    | accounts for 52% of the company's turnover.  |
| 2. | A may lurk unseen in a computer's memory, calling up and infecting each                          |
|    | of the machine's data files in turn.   |
| 3. | Several organizations are strongly opposed to the use of children in advertising in general, and |
|    | in in particular.  |
| 4. | She only bought that to show off and prove she could afford one.                                 |
