WRITING**TOPIC:** What is your favorite holiday? Explain what you like about it.**SUBTOPIC:** We All Like Holidays!**PRESENTIAL WORK - PART ONE**

1. Imagine you are writing a paragraph about your favorite holiday or day of the year. The questions to be answered are:

- What is your favorite holiday or day of the year?
- What activities do you usually do on that day?
- Who do you spend your time with?

Take the following paragraph as an example. Make sure to focus on the adverbs of frequency that are underlined.

My favorite holiday is Carnival because I always play fun games with my family. I am never alone during Carnival. We usually visit Guaranda during this holiday. My family and I often play Carnival by throwing carioca, which is a colorful foam, at each other. We never use or waste water. However, the carioca cans are bad for the environment so we don't use a lot.

2. Now, it is your turn! Use your own information, be sure to use adverbs of frequency:

- What is your holiday or day of the year?
- What activities do you usually on that day?
- Who do you spend your time with?

3. Investigate other holidays in Ecuador and complete the chart.

Date	Holiday	Activity
January 1st	New Year	People usually make promises

Grammar Tip

Adverbs of frequency.

They are placed before the verb. The only exception is the verb "to be", so adverbs of frequency are placed after "TO BE".

For instance

- I always pay attention in class.
- I am never late.
