6. Write in the correct columns:

computer	crayon	paper	ball	slide	headphone	picture

School yard	Art room	Computer room
....	....	....

7. Read and choose the correct answers:

At our school we have a big computer room. We have 12 computers in the room, one for every student. The computers have headphones, so the students can listen and speak.

In the computer room, the students can study English, music, and math. They do art here, too; they can draw and color pictures with the computer. The computers also help the students to read and write.

The children come to the computer room every Tuesday and Thursday. Everyone likes these lessons.

How is the computer room? ***Big / small / long***

How many computers are there? ***12 / 14 / 16***

What can the students do with headphones?

listen and eat / run and draw / listen and speak

The computers also help the students .....
read and write / eat and write / run and read

When do they come to the computer room?
Monday and Tuesday/ Tuesday and Thursday / Friday
