

Track 43

Chen: Thank you very much, Lily. So how do I borrow a book?

Lily: That's simple, too. When you go to the library you'll have to take your . When want to borrow a book, you take it downstairs to the scanner. Then, first. Then, open the book and slide it under the scanner until it ... And that's all you have to do ... Oh, sorry, I forgot. At the end the system . It's a good idea to keep it for a while, just in case you have a problem with your loan.

Chen: Thanks again, Lily. You've been really kind ... *[fades out]*
