Part 1. For question 1-5, listen to an interview with Sue Millins, who has recently introduced a new teaching approach into her school and decide whether the following statements are true (T) or false (F). Write your answers in the corresponding boxes provided. (1.0 pt)

1. The original cause of the school's decline was the transformation of the neighborhood.

2. The school was not closed down thanks to the decision to follow the national curriculum.

3. The traditional methods of teaching were abandoned because tests would be easier to mark.

4. The aim of the lesson involving the bear is to help the children to read and write.

5. The method is considered successful because children are interested in the arts.

PART 2. Listen to an extract from a radio programme about the climber Annabelle Bond, and say whether sentences 1-5 are true or false. (10 points)

1. It took her about a year to climb the seven mountains.

2. Only four men have climbed the peaks faster than Annabelle.

3. Annabelle always wanted to be a marathon runner.

4. She raised £8,500 for a cancer charity.

5. She plans to do more climbing in the near future.
