Reading

1 Read.

At our school we have two big school yards. This is my school yard. It is for the 1st, 2nd, and 3rd grade students. The 4th and 5th grade students play in a different school yard.

There are squares on the school yard where we can play games. The students can play with a ball and run around. We can also talk to our friends. We love our school yard.

2 Read again. Circle four things that students can do.
