

MICHAEL JACKSON

Michael Jackson, as known as "King of Pop", was a singer, songwriter and dancer. He was the best pop singer in the world. His net worth was over one billion dollars. His songs are so popular. He was born in August 28, 1958 in Gary, Indiana, USA. He was raised by Joe Jackson and Katharine Jackson. Michael started his early career by performing with his four brothers at "pop group of Jackson 5" when he was a child. By the time when he was 11 years old, he was appearing on the TV. And then at 14 years old, he released his first album which is a solo album. Eventually, he became very popular. He had a different face because he had plastic surgery. Sadly, he died on June 25, 2009, because of cardiac arrest. He was buried at Forest Lawn Memorial Park.
