Going Shopping

Watch the video up to 2:41 then put James' actions into the right order (write the numbers)

	He goes to the checkout		He asks an assistant where the water is
	He takes some cash out		He locks the front door
	He also buys cakes		He takes a trolley
	He opens the front door		He buys 3 bottles of water
	He gets his wallet		He needs some water
	He leaves the house		He gets into the car
	James has a cough		He drives to the supermarket

Watch the rest of the video and decide whether the following sentences are true or false. (write T or F)

James doesn't need a bag	
The shopping costs 4.65 pounds	
James gives a 10 pound note	
James has a nectar card	
The assistant gives James the receipt	
James goes back to work
