Section E. Reading Comprehension. (15pts)

Mrs Tan was alone at home reading the newspaper. She was bored so she decided to read something else. The bookshelf was filled with story books, magazines and recipe books. Suddenly, she had an idea.

" I bake a cake!" she exclaimed.

A picture of a chocolate cake in a recipe book caught her eyes.

After she had read the instructions, she realized that she only had a packet of sugar and flour at home. Picking up her purse, she went to the supermarket to buy some eggs, butter and cocoa powder.

She returned home and started preparing the ingredients. She mixed the butter and sugar before adding the eggs, flour and cocoa powder. Finally, she placed the cake mixture into the oven.

Minutes later, the cake was baked. She opened the oven door and the aroma of cocoa filled the kitchen.

"A cake, the entire family can enjoy! " she said excitedly.
