

In my opinion, Cameron is \_\_\_\_\_ (good) director in Hollywood.  
\_\_\_\_\_ (good) than George Lucas? The director of Star Wars.

I think Cameron's films are \_\_\_\_\_ (entertaining) than Lucas's. But  
maybe Lucas is \_\_\_\_\_ (successful) at the cinema.

Avatar was disappointing. It's definitely Cameron's \_\_\_\_\_  
(predictable) and \_\_\_\_\_ (dull) film. Cameron is overrated.

Are we talking about the same film? Avatar is his \_\_\_\_\_ (gripping)  
film yet.
