

Final TEST

Form 8

Writing

Imagine that you live in Paris, France, and a pen friend of yours is planning to visit you. Read the part of the letter she has sent you.

Since I've never been to Paris before, I don't know what the weather is usually like in July.

What kind of clothes should I bring with me?

I know there are lots of places of great interest to visit.

I've also heard that French food is delicious!

I look forward to hearing from you.

Best wishes,

Zoe

Read the brochure and the notes you have made and write a letter to Zoe.
