Written Composition
Writing Sentences

When you write sentences about a picture, look at everything in it. **Write what you see**. Write what people or animals are doing in the picture. You can also write what kind of day or night it was. ***Remember that all sentences begin with a capital letter and ends with an end mark.***

Example:

I see kids at the park.

They are happy.

A boy is holding a kite.

The girl is running.

I see flowers and butterflies.

Instructions: Look at the picture below. Write 5 sentences that tell about the picture. Type one sentence in each box
