Written Composition
Writing Sentences

When you write sentences about a picture, look at everything in it. **Write what you see**. Write what people or animals are doing in the picture. You can also write **how many** things you see. ***Remember that all sentences begin with a capital letter and ends with an end mark.***

Example:

I see animals underwater.

They are swimming.

The water is blue.

I see one red crab.

I see one big shark.

Instructions: Look at the picture below. Write 5 sentences that tell about the picture. Type one sentence in each box.
