WHAT WOULD YOU SAY?

In each of the following situations, describe what you would say in response to the problem being shared:

1. My family doesn't understand me. Everything I like seems to go against their values, and they just won't accept my feelings as being right for me. It's not that they don't love me—they do. But they don't accept me.
2. I've been pretty discouraged lately. I just can't get a good relationship going with any guys. I've got plenty of male friends, but that's always as far as it goes. I'm tired of being just a pal ... I want to be more than that.

3. I don't know what I want to do with my life. I'm tired of school, but there aren't any good jobs around. I could just drop out for a while, but that doesn't really sound very good, either.
4. Things really seem to be kind of lousy in my relationship lately. It's not that we fight much, but all the excitement seems to be gone. We're in a rut, and it keeps getting worse. ...
