

Rewrite the pairs of sentences using non-defining relative clauses.

- 1 I got my new bike last week. It cost £250.
- 2 I bought the bike with my own money. I earned it from my Saturday job.
- 3 I did the job for two years. The job was in a shop.
- 4 I didn't enjoy the work. The work was quite boring.
- 5 But most of the staff were very friendly. They weren't much older than me.
- 6 I've still got a bit of money. I'm going to spend it on a new video game.
