Unlike some of my friends, I like going to school. My favourite subjects are maths and (1)   h     c   and I'd like to be an engineer in the future. The first (2)   m   (from September to January) is the best time at school for me because I'm full of energy and motivation after the summer holiday. This year we have a new form (3)   u     r  , Mrs Evans, who seems a bit strict. Just like my parents! They're always telling me to get good (4)   m     k   in each subject, but it's almost impossible! Anyway, I'm in my final year and I'll need to (5)   r     s   a lot of material for my school-leaving exams. I'm afraid it's going to be a hard and busy time for me!
