(It's a summer, a summer holiday!) (x 2)
No homework for six weeks or so,
Fun and laughter all day long. (*all day long*)
Don't [1]..... my friends, it's time to go.
Cheer up, join in, what's wrong?
(What's wrong?)
Chorus (x 2)
It's a summer, a summer holiday.
Come, wipe your tears, your tears away.
It's a summer, a summer holiday!
A summer holiday!
[3]..... books and [4]..... a DVD,
[5]..... your friends and [6]..... up late.
(Stay up late)
In summer, you, you are free.
Hey, isn't this just great? *(Isn't this just great?)*
Chorus (x 4)
