*(It's a summer, a summer holiday!)* (x 2)

No homework for six weeks or so,

Fun and laughter all day long. *(all day long)*

Don't <sup>1</sup>..... my friends, it's time to go.

Cheer up, join in, what's wrong?

*(What's wrong?)*

*Chorus (x 2)*

*It's a summer, a summer holiday.*

*Come, wipe your tears, your tears away.*

*It's a summer, a summer holiday!*

*A summer holiday!*

<sup>3</sup>..... books and <sup>4</sup>..... a DVD,

<sup>5</sup>..... your friends and <sup>6</sup>..... up late.

*(Stay up late)*

In summer, you, you are free.

Hey, isn't this just great? *(Isn't this just great?)*

*Chorus (x 4)*
