Unit: 4 Living together

Lesson:2 Speaking

Read and choose the correct answer for the right question.

1- It is because wolves can jump short fences, but they can't jump high fences.

2- Since the rain has stopped falling, there is no water in the habitat.

3- Since the tigers live far away, people have no fear.

4- Because they are dangerous and may attack villagers.

Questions	Answers
Why are villagers afraid of the tigers?	
There is no water in the habitat. Why is that?	
Farmers make the strong fence high. Do you know why?
