J08 EXTRA PRACTICE 19

A: Did I [1] *say / tell* you there was a great TV programme on last night?
B: No, what was it about?
A: Space travel in the next century. They [2] *said / told* humans would soon land on Mars.
B: Really? When did they [3] *say / tell* it would happen?
A: The presenter didn't [4] *say / tell* us exactly but I think before the year 2050.
B: I read another article and it [5] *said / told* there would be a hotel on the moon soon.
A: Yes, but someone [6] *said / told* me a few years ago that there were going to be space hotels orbiting the Earth soon but nothing's happened yet.
