**JO8 EXTRA PRACTICE 19**

- A: Did I <sup>1</sup> *say / tell* you there was a great TV programme on last night?
- B: No, what was it about?
- A: Space travel in the next century. They <sup>2</sup> *said / told* humans would soon land on Mars.
- B: Really? When did they <sup>3</sup> *say / tell* it would happen?
- A: The presenter didn't <sup>4</sup> *say / tell* us exactly but I think before the year 2050.
- B: I read another article and it <sup>5</sup> *said / told* there would be a hotel on the moon soon.
- A: Yes, but someone <sup>6</sup> *said / told* me a few years ago that there were going to be space hotels orbiting the Earth soon but nothing's happened yet.
