**My week by Alex**

Dear Peter.

I like my school. I'm in grade 5/1.

I always have music lessons on Monday. The boys in 5/1 often play football on Tuesday. They play four times a month. The girls have sport lessons on Wednesday. They usually play volleyball. I like Thursdays. I have free time. On Friday I often go swimming after school. I can swim very well. On Saturday I sometimes go rollerblading in the park or ride my bike. Once a week I never forget to visit my grandparents. I usually play on the computer. I do my homework every Sunday. Doing homework is boring! Let me hear from you soon.

Love,
Alex
