

# SHOPPING IN A SHOP OR STORE

I usually go shopping during my lunch break, so I don't have time to <sup>1</sup>try on clothes. There's always a long line for the <sup>2</sup>f\_\_\_\_\_ r\_\_\_\_\_ , so I just take them straight to the <sup>3</sup>ch\_\_\_\_\_ to pay. I keep the <sup>4</sup>r\_\_\_\_\_ so I can exchange them if they don't <sup>5</sup>s\_\_\_\_\_ me. Sometimes I get the wrong <sup>6</sup>s\_\_\_\_\_ , and the clothes don't <sup>7</sup>f\_\_\_\_\_. I often <sup>8</sup>t\_\_\_\_\_ things b\_\_\_\_\_ to stores, but the <sup>9</sup>s\_\_\_\_\_ don't seem to mind at all.
