Amber's Missing Purse

Amber the turtle was checking out at the mart when she noticed she forgot her purse. She looked in the mart and checked every cart, but it was nowhere to be found. She burst into tears and got in her car, hoping it would be at home. She wanted to get home before it got dark, so she left in a hurry. She ran over a curb and had to swerve so she didn't hit a bird in the road. When she made it home, she saw her friend, Shark, standing in her yard with a smirk on his face. He was holding her fur purse and said she had drove off this morning with it on top of her car. Amber was thrilled and thanked Shark. She even offered to take him to the hard rock concert she was going to later that night. He said yes and went to his house to change into his rock band shirt. They met at the concert and danced under the stars all night long.
