Superstar

Long ago, and, oh, so far away
I fell / fail in love with you before the second shove / show
Your guitar / cheetah , it sounds so sweat / sweet and clear
But your / you're not really here, it's just the radio

Chorus

Don't you remember, you hold / told me you loved me, baby?
You said you'd be coming back this way / wait again, baby
Baby, baby, baby, baby, oh baby
I love you, I really do

Loneliness is such a said / sad affair
And I can / can't hardly wait to be with you again
What to save / say to make you come again? (Baby)
Come back to me again (baby)
And play / plan your sad guitar

Chorus

Don't you remember, you hold / told me you loved me, baby?
You said you'd be coming back this way / wait again, baby
Baby, baby, baby, baby, oh baby
I love you, I really do

Don't you remember, you hold / told me you loved me, baby?
You said you'd be coming back this way / wait again, baby
Baby, baby, baby, baby, oh baby
I love you, I really do
