13) What cities have you visited recently?

☐ **Listen to the song and complete the gaps with present perfect:** have/has + verb par

### LYRICS

I ........................ (15) highest mountains

I ........................ (16) through the fields

Only to be with you

Only to be with you

I ............................ (17)

I have crawled

I ........................... (18) these city walls

These city walls

Only to be with you

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

I ........................... (19) honey lips

Felt the healing in her fingertips

It burned like fire

This burning desire

I ........................ (20) with the tongue of angels

I have held the hand of a devil

It was warm in the night

I was cold as a stone

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

I believe in the kingdom come

Then all the colors will bleed into one

Bleed into one

But yes I'm still running

You broke the bonds

And you loosed the chains

Carried the cross

Of my shame

Oh my shame

You know I believe it

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for

But I still haven't found what I'm looking for
