School in the UK

Hello, I'm Sharon and I'm ten. My school is called Forest Park School. It's in Manchester in the UK. Classes start at quarter to nine and finish at quarter past three. Our school has got 300 pupils and 15 teachers. There are 15 classrooms. It's got a big playground and a gym where we do PE. We also eat our lunch in the gym. I have a packed lunch.

On Monday we've got English, science and maths. There are extra classes for drama and music. I've got after-school music club at quarter past three on Thursday. I play the recorder.

At Christmas we've got two weeks' holiday and we've got six weeks in the summer. I love the holidays!
