My Love - Petulia Clark

My love is warmer than the **warmest** sunshine
Softer than a sigh.
My love is deeper than the **deepest** ocean
Wider than the sky.
My love is brighter than the **brightest** star
That shines every night above
And there is nothing in this world
That can ever change my love

Something happened to my heart the day that I met you
Something that I never felt before
You are always on my mind no matter what I do
And everyday it seems that I want you more

[CHORUS]

Once I thought that love was meant for anyone else but me
Once I thought you'd never come my way
Now it only goes to show how wrong we all can be
For now I have to tell you everyday

LIVEWORKSHEETS

Hand In My Pocket - Alanis Morissette

I'm broke, but I'm **happy**
I'm poor, but I'm kind
I'm short, but I'm **healthy**, yeah
I'm high, but I'm grounded
I'm sane, but I'm overwhelmed
I'm lost, but I'm **hopeful**, baby
And what it all comes down to
Is that everything's gonna be fine, fine, fine
'Cause I've got one hand in my pocket
And the other one is giving a: High five
I feel drunk, but I'm sober
I'm young and I'm underpaid
I'm tired, but I'm **working**, yeah
I care, but I'm **restless**
I'm here, but I'm really gone
I'm wrong and I'm sorry, baby
And what it all comes down to
Is that everything's gonna be quite alright
'Cause I've got one hand in my pocket
And the other is flicking a cigarette
And what is all comes down to
Is that I haven't got it all figured out just yet
'Cause I've got one hand in my pocket
And the other one is giving the peace sign
I'm free, but I'm focused
I'm green, but I'm wise
I'm hard, but I'm **friendly**, baby
I'm sad, but I'm laughing
I'm brave, but I'm chicken shit
I'm sick, but I'm pretty, baby
And what it all boils down to
Is that no one's really got it figured out just yet
Well, I've got one hand in my pocket
And the other one is playing a piano
What it all comes down to, my friends, yeah
Is that everything's just fine, fine, fine
'Cause I've got one hand in my pocket
And the other one is hailing a taxi ca
