Wonderful sounds

Hello, my name's Tom and I live in a busy city, but last June I went camping in the countryside for the first time. I went with Grandpa Pat and my two cousins who are three years older than I am. It was exciting because we didn't arrive until midnight. It was very quiet and we couldn't see very much because it was so dark. Putting up our tent was quite difficult!

When I woke up early the next morning, there were so many unusual sounds outside. I could hear birds that were singing all kinds of different tunes. I could also hear some water outside, but it sounded much noisier than a river. I opened up the tent quietly because I didn't want to wake my grandfather and cousins and stood up slowly to see where we were. 'This is the most beautiful place that I've ever seen!' I thought. 'I can't wait to walk up those hills and through those woods.'

Then, between some high trees, I saw the lovely waterfall and all the rocks below it. There was a deep stream too. It was only a little way away from our tent. 'What a beautiful view and that's such a wonderful sound,' I whispered to myself. 'I wish I could see and hear this every morning!'
