Week 14 – Technology

Higher Order Thinking Task: Do your own research on the bridges found in the United Arab Emirates.

Choose any 5 of those bridges and fill in the table below. (Try to include bridges from different emirates.)

What Is The **Name** Of The Bridge?	Which **Emirate** Is It In?	Which Places Does It **Connect**?	What Is The Total **Length** Of The Bridge?	When Was It **Opened** To The Public?
