Slide Away - Miley Cyrus

Woo ooh, woo ooh, woo ooh
Woo ooh, woo ooh, woo ooh

Once upon a time, it **were/was** paradise
Once upon a time, I was **surprised/paralyzed**
Think I'm gonna miss these harbor **signs/lights**
But it's **time/hour** to let it go
Once upon a time, it was **make/made** for us
Woke up one day, it had turned to **water/dust**
Baby, we were found, but now we're **lose/lost**
So it's time to let it **be/go**

I want my **place/house** in the hills
Don't want the whiskey and **pills/films**
I don't **get/give** up easily
But I **don't/doesn't** think I'm down

So won't you _____ away
Back to the _____, I'll go back to the city lights
So won't you slide _____
Back to the ocean, la la la, you'll slide _____
So won't _____ slide away
Back to the ocean, I'll go back to the city _____
So _____ you slide away
Back to the _____, la la la, you'll slide away

Once upon a **life/time**, it was paradise
Once upon a time, I was **paralyzed/criticized**
Think I'm gonna **love/miss** these harbor lights
But it's time to let it **go/flow**
Once upon a time, it was **make/made** for us (For us)
Woke/Wake up one day, it had turned to dust
Baby, we **were/was** found, but now we're lost
So it's time to **sit/let** it go

Move/Go on, we're not 17
I'm not who I **used/use** to be
You say that **anything/everything** changed
You're right, we're grown **again/now**

So won't you _____ away
Back to the ocean, I'll go back to the _____ lights
So won't _____ slide away
Back to the ocean, la la la, you'll slide _____
So won't you _____ away
Back to the _____, I'll go back to the city lights
So won't you slide _____
Back to the ocean, la la la, you'll _____ away
