

Write a paragraph on how to cook fried rice by completing each blank in front of each picture below.

First, she lights the gas stove  and puts a 1

 on it. Then she pours 2  into the 3

. She chops 4  into small 5

, and fries them until they are yellow. Then she puts beef, pork,

chicken or even 6  – and sometimes an 7

 – and mixes them all together. When the meat and garlic are

well mixed, she puts in cooked rice, a little bit of 8  and

9 . She stirs all of this for one minute and then puts it on a

10 . The fried rice is ready to eat.
