## A « DREAMING » STORY

Listen to the document and answer the questions.

### a. Find the following information

- When ?  a few years ago  a long long time ago  recently
- Who ?  eight of our ancestors  all our ancestors  all the Aborigines
- Where ?  on Ayers rock  in Canberra  in the desert
- Instrument we can hear ?  the drums  the didgeridoo  the cello
- Problem ?  The Aborigines couldn't find anything to eat.
  - The land was so dry that the Aborigines left their camp to find some water.
  - The animals couldn't find any water so they started to die.

### b. Tick the correct answer

« At the same time, two  serpent /  snake spirits and two  emu /  huge spirits were also looking for a  waterfall /  water hole. They met our  ancient /  ancestors and they all  shared /  stared at the water. They  rested /  rest here for a while and then they continued their  journey /  jolly across the vast desert. That  waterfall /  water hole still exists today. And if you're crossing the desert, you can stop and drink there. »
