

# PROBLEMS FOR ACTORS

Read the text below and write the word that best fits the gap. Use only one word in each gap.

Many actors do not like working (1)\_\_\_\_\_ children or animals. This is probably (2)\_\_\_\_\_ they are afraid that the audience may become (3)\_\_\_\_\_ interested in the children and animals than in them.

Actors can have problems (4)\_\_\_\_\_ a different kind when they are required to eat or drink on stage. If they have (5)\_\_\_\_\_ much food in their mouths, the words they say may not (6)\_\_\_\_\_ clear, and they may even end up coughing or choking.

Other problems can occur with food (7)\_\_\_\_\_ films are being made. In a recent film, during (8)\_\_\_\_\_ a family was waiting to have a meal, one of the actors entered with a large roast chicken on a tray and started cutting some meat from it while he was speaking. Having cut off a whole chicken leg he completely forgot (9)\_\_\_\_\_ his next words were. The scene had to be filmed (10)\_\_\_\_\_. This would not really have mattered (11)\_\_\_\_\_ there had been another roast chicken in the studio, but there was not. At (12)\_\_\_\_\_, nobody knew what to do, but eventually the problem was solved (13)\_\_\_\_\_ putting a nail in the leg and attaching it back onto the chicken.
