## Interdisciplinary Unit - Properties of Matter

**Investigate the Properties**

**Review the video then complete the chart**

**Tell the kind of property found in each object.**

| Object: | state   | color | size | shape | texture | hardness |
|---------|---|-------|------|-------|---------|----------|
| Penny   |  |       |      |       |         |          |
| Balloon |  |       |      |       |         |          |
| Juice   |  |       |      |       |         |          |
| Fumes   |  |       |      |       |         |          |
| Marble  |  |       |      |       |         |          |
| River   |  |       |      |       |         |          |
