<p>(Answer) Well, the subject that is my all-time favorite is “Culture of countries in ASEAN”, which was taught since I was a <i>sophomore</i> in university.</p>	<p>Sophomore (n) Sinh viên năm 2</p>
<p>(Reason) Although it was just an <i>elective subject</i>, I was really into studying it since I could <i>have deeper insight into</i> ASEAN countries’ cultures and be immersed in their vivid civilization. (Example) In class, we discussed history, religion, tradition and lifestyle of people in these countries. We also had a lot of group work and <i>presentations</i> to make this subject much more interesting to learn. We also used to read a lot of books related to ASEAN countries’ cultures. <i>Doing research into</i> culture has always intrigued me as I have been a <i>keen learner</i> of culture.</p>	<p>Elective subject (n) Môn tự chọn</p>
<p>Additionally, we were taught by <i>dedicated teachers</i> who helped us understand the lesson quickly. Till now, I have still felt grateful for the lecturers who were so passionate with the lessons. This subject has brought me a feeling of satisfaction, which I could hardly see in other subjects.</p>	<p>Have deeper insight into (St) (v) Hiểu thêm về</p>
