Exercise 3: Fill in the blank with the correct form of the verb (Active or Passive)

Today, a lot of teenagers find it difficult to choose between getting a job or continuing their education after graduating from high school. But I .....(believe) that going to college or university is the better option. Many students in Western countries accept to.....(employ) in physical work to pay for tuition fees. People who .....(choose) to start their career early instead of going to university or college can .....(have) more opportunities to gain experience for their jobs. Therefore, they can..... (promote) to higher positions such as managers. On the other hand, plenty of employers might.....(require) high academic qualifications for some professional jobs. Employers would .....(prefer) a person who has an adequate amount of knowledge to work efficiently with less training time.

In conclusion, students with a higher academic background are likely to be more successful in pursuing their dream jobs.
