NAME

MAKING QUESTIONS

1.- Watch the video "73 Questions with Lupita Nyong´o" and listen carefully to the question forms that are used.

2.- After watching the video, think about a **person you admire** (ex. actor, writer, idol, scientist, artist, etc.) and elaborate 10 questions you would like to ask them in an interview similar to the one in the video above. You must use the structures previously seen in the lesson, for example: Have you thought about which life lesson has marked you the most?, Who is a historical figure you would like to meet?, Do you have a favorite outfit?
