Katy Dixon is a famous scientist. She works at a university in London. She is a volcanologist. That means that she <sup>1</sup> \_\_\_\_\_ (study) the science of volcanoes. She <sup>2</sup> \_\_\_\_\_ (spend) most of the time at the university. She <sup>3</sup> \_\_\_\_\_ (do) experiments in a laboratory, and she also <sup>4</sup> \_\_\_\_\_ (teach) students. But sometimes she <sup>5</sup> \_\_\_\_\_ (travel) to interesting places in the world and <sup>6</sup> \_\_\_\_\_ (explore) real volcanoes.

This week, Katy <sup>7</sup> \_\_\_\_\_ (visit) South America.
