Book 10 Quiz B

49. Read the paragraph and select the BEST TITLE.

The military didn't always use radios. Before radios, the military sometimes used birds to take messages to soldiers in far places. This kind of bird is called a carrier pigeon. Some people still use them today for fun, but the military doesn't use these birds now. When the military used them, the birds flew over lakes, hills, and mountains to deliver important messages. The military liked carrier pigeons because they were fast and always knew how to return home after they completed their flight. Birds like these helped the military. They were good soldiers in the sky.

- a. Birds Fly Home
- b. Soldiers in the Sky
- c. Radios for Soldiers
- d. Beautiful Birds

50. Read the paragraph again and select the BEST SUMMARY.

- a. In the past, the military used carrier pigeons. They carried important messages to soldiers. They were fast and returned after each flight.
- b. Many years ago, the military wanted to buy some radios. Radios were very expensive. They bought some birds because they were cheap.
- c. Carrier pigeons were the first military radios. They were important and fast. They were also beautiful.
- d. In the past, birds delivered the mail. They liked to fly over mountains, hills, and lakes. They always flew fast.
