READING

Task 4 Установите соответствие между текстами A-E и их темами, выбрав тему 1-6 из списка. Используйте каждую тему только один раз. В задании одна тема лишняя.

This text deals with …

1. one of the biggest lakes in the world.
2. a nice place to go fishing.
3. a lake on the territory of the USA.
4. a fresh water animal.
5. a lake with an island in the middle.
6. swimming records.

A. The Great Lakes are a group of lakes in the mid-east of North America bordering with Canada. Lake Superior is not only the largest of the Great Lakes but also the largest freshwater lake by surface area. It contains more water than other four lakes combined. So much water, in fact, that it could cover the whole of North and South America with one foot of water.

B. Lake Ontario is the last on the Great Lake chain and serves as the outlet to the Atlantic Ocean. Throughout its history there have been fifty people who have swum across the lake. The first person to accomplish this was 16-year-old Marilyn Bell in 1954. The youngest person to make the swim was 14-year-old Annaleise Carr. In 2012 she crossed the 52 kilometres in under 27 hours.

C. Lake Michigan is the only five lakes to be completely located inside the United States, the other four lakes are shared by the U.S. and Canada. Technically, it's the same lake as Lake Huron as they are linked by the Strait of Mackinac. The word "Michigan" comes from the native American word *michi-gami,* which means "great water".

D. Lake Huron is the eastern part of Lake Michigan-Huron. It was actually the first of the Great Lakes to be discovered by European explorers. One of the most interesting features of the lake is Manitoulin Island, which is the largest freshwater island in the world.

E. Lake Erie is the shallowest of the five lakes, its average depth is only 19 metres. It is the largest freshwater fishery in the world, boosting the economy by over one billion dollars every year. People from all over the world to Lake Erie to fish.

Запишите в таблицу выбранные цифры под соответствующими буквами.
