READING COMPREHENSION ACTIVITY - ELEMENTARY LEVEL

Read a girl's presentation about using colours to organize homework and do the activities.

My presentation is about how you can use colour coding to organise your homework.

To start you need a few things from the stationery shop. This photo shows the things I use. They aren't expensive. They are all cheap. I've got coloured pens and pencils, sticky notes, page markers, glue and folders.

First, I choose a different colour for each school subject. The colour I choose has to be easy to remember so I make sure it means something to me. Maths is green because my ruler is green. PE is yellow because my trainers are yellow.

Here is a photo of my folders. I use the cheapest kind and I add a coloured sticky note to the top and to the front. I keep all my notes inside the different folders.

This is a photo of some more sticky notes. I wrote them in the library when I was studying. The blue notes are for history. My history teacher has got a blue car! The black notes are for geography. One day I want to visit the Black Sea.

This photo shows the pages I need to read for homework. I use two coloured page markers to mark where it starts and ends. Those blue ones mark the pages I need to read for history.

Finally, this last photo shows my wall calendar. This green star shows I have a maths test on Friday. This pink circle shows I've got French homework for Monday. It's pink because 'pink' is 'rose' in French … and the rose is my favourite flower.

---

1) Read the sentences. Are they True or False?

You need to buy some stationery to organise your homework like this.	*True*	*False*
The things you need are not cheap.	*True*	*False*
The colour you choose should mean something to you.	*True*	*False*
PE is yellow because she doesn't like yellow.	*True*	*False*
She keeps all her notes in the same folder.	*True*	*False*
She uses red for geography notes.	*True*	*False*
She uses coloured page markers to mark pages she has to read.	*True*	*False*
When she thinks of French, she thinks of her favourite animal.	*True*	*False*

2) Match the subjects with the colours and write a-e next to the numbers 1-5

1..... green	a. French
2..... yellow	b. geography
3..... blue	c. PE
4..... black	d. history
5..... pink	e. maths
