I have just finished my breakfast.

I haven't been to Africa yet.

James has never drunk sugar-free Coke.

We have seen Avengers: Endgame four times.

No wonder that Mark is hungry, he hasn't eaten lunch.

I'm sorry you can't talk Sarah, she has gone shopping.

Hey mum, where have you been all day?

I haven't watched Silent Hill, it's too scary for me.

What have you done to my guitar? It's broken!!!!

I have been on my feet all day and they hurt now.
