### China - Drunken shrimp

In this strange Chinese dish, shrimp are served whilst (= while) swimming in a strong rice wine. The alcohol makes the shrimp drunk. This slows them down and \_\_\_\_\_ s you to eat them live!

### The Philippines - Balut

Baluts are basically hard-\_\_\_\_\_ ed eggs - except with one important difference, they are half-\_\_\_\_\_ d. This means that inside a balut you will find part of a baby duck or chicken! It's very strange!
