

Name ..... Class..... Number.....

Activity 3

Guess the normal steps we go through when finding a job.  
Put the following actions into the correct order (1-10).

- a accept the job
- b find an interesting post
- c apply for the job
- d sign a contract
- e be called for an interview

- f look through job adverts
- g fill in the application form
- h be offered the job
- i attend the interview
- j send off for an application form
