

[Verse 1]

I met you in the dark

You (1).....

You made me feel as though

I was enough

We danced the night away

We (2)..... too much

I held your hair back when

You were throwing up

[Pre-Chorus]

Then you smiled over your shoulder

For a minute, I was (3).....

I pulled you closer to my chest

And you asked me to stay over

I said, I already told ya

I think that you should get some rest

[Chorus 1]

I knew I loved you then

But you'd never know

'Cause I (4).....

When I was scared of letting go

I knew I needed you

But I never showed

But I wanna stay with you

Until we're grey and old

Just say you won't let go

Just say you won't let go

[Verse 2]

I'll wake you up with some breakfast in bed
I'll bring you coffee
With a **(5)**..... ..
And I'll take the kids to school
Wave them goodbye
And I'll thank my **(6)**..... for that night

[Pre-Chorus 2]

When you looked over your shoulder
(7)....., I forget that I'm older
I wanna dance with you right now, oh
And you look as beautiful as ever
And I swear that every day you'll get better
You make me feel this way **(8)**.....

[Chorus 2]

I'm so in love with you
And I hope you know
Darling your love is more
Than worth its **(9)**.....
We've come so far my dear
Look how we've grown
And I wanna stay with you
Until we're grey and old
Just say you won't let go
Just say you won't let go

[Bridge]

I wanna live with you
Even when we're ghosts
'Cause you were always there for me
When I needed you most

[Chorus 3]

I'm gonna love you till

My **(10)**..... give out

I promise 'til death we part

Like in our vows

So I wrote this song for you

Now everybody knows

That it's just you and me

Until we're **(11)**..... ..

Just say you won't let go

Just say you won't let go

[Outro]

Just say you won't let go

Oh, just say you won't let go
