ROOM RATE TERMS

Match the room rate term with the letter of its correct definition. Type the letter in the space provided to the left of each term.

TERMS	DEFINITIONS
_____ **RACK RATE**	A. The standard, non-discounted rate set by the management for a guest room
_____ **PREREGISTRATION**	B. A type of guaranteed reservation where the hotel receives cash payment in advance for at least one night stay and the guest is preregistered.
_____ **PREFERRED OR COMMERCIAL RATE**	C. A room rate where children age 18 and younger stay free if they do not require extra beds and are sharing a room with an adult.
_____ **CORPORATE RATE**	D. A specific group rate agreed upon in advance by the hotel and the group. The rate does not change with the number of guests staying in the room.
_____ **FLAT RATE**	
_____ **ADVANCE DEPOSIT**	E. A special room rate available by request to anyone on company business.
_____ **FAMILY PLAN RATE**	F. When front desk representatives complete the registration process before the guest with that registration actually arrives.
_____**GOVERNMENT RATE**	G. The rate agreed upon by the hotel and the company for all room reservations made by company employees.
	H. A special room rate for government employees who are travelling and show official identification during check-in.
