

1 Read and circle.

Read the sentences below and circle the correct conjunction to complete each sentence.

Focusing on the meaning of each clause will help you select the correct conjunction.

- 1 The boy fell off his bike. **In addition / However**, he was not hurt.
- 2 I use the Internet to read the news. I **also / on the other hand** use it to help me study.
- 3 I would like to start a business. **Therefore / Because**, I am going to a conference next week.
- 4 Solar energy does not produce greenhouse gases. **But / Moreover** it will not run out.
- 5 I brought you a jacket **because / so** it is cold outside.
